THROUGH : Executive Officer
FROM : [REDACTED] STATINTL
Acting Chief, Management Staff, ODP
SUBJECT : Management Staff Weekly Report
for Week Ending 31 December 1980

Magnetic Tapes

The new procedures for the handling of Z and Y tapes in the computer centers are effective beginning 5 January 1981. These procedures require Component Security Officer approval prior to the release to customer control of a Y (output) tape. An ODP notice describing the procedures has been forwarded to the designated Component Security Officers and ADP Control Officers. Customer Services Staff has also issued a "Tech Note" for the users. (AIUO) [REDACTED] STATINTL

Excess Equipment

Management Staff distributed, to selected ADP Control Officers, two Headquarters Property Turn-In Documents. The documents described Spectral Dynamics hardware and Delta Data terminals excess to OSO and OD&E needs, respectively. No component interest was demonstrated and the equipment was declared excess to Agency needs. The acquisition cost of the excess equipment was estimated as \$9,700. (U)
